

Iowa Area Development Group Community Foundation

Mission:

To foster economic development and community betterment by providing research and promotion, education and training, and community-based and guided philanthropy.

Grants Categories

/// Education and Training

- Leadership development programs and seminars in order to educate electric cooperative members, community volunteers and professional developers about tools, resources, and technical assistance in order to further local economic development efforts.

/// Research, Study and Analysis

- To undertake and/or support research, study, and analysis of the economy or segments of the economy of the State of Iowa in order to further local economic development efforts.

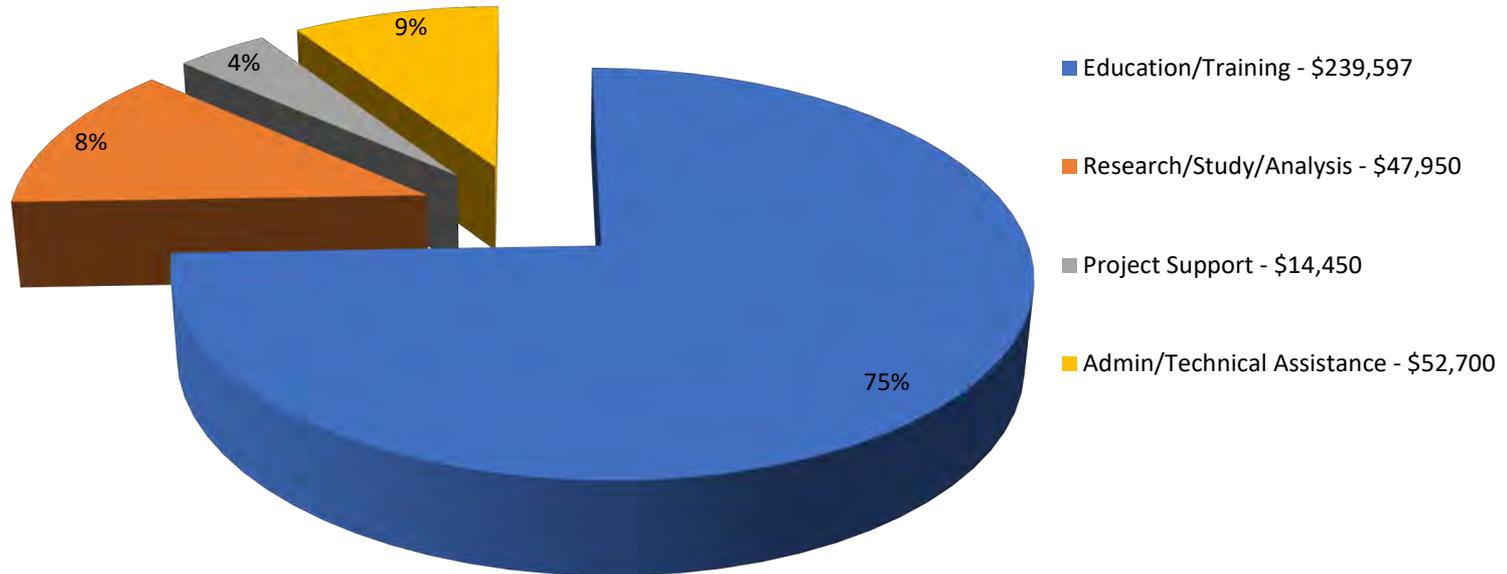

/// Project Support

- Provide grants and low interest loans in order to create jobs and promote community prosperity.

/// Administration and Technical Assistance

- To provide community based organizations throughout Iowa support for local philanthropic efforts.

Silver Shovel Award

To celebrate IADG's 25th Anniversary, the Silver Shovel Award honors the significant accomplishments of our rural development partners for their leadership, project development, community philanthropy, and successful program innovation. The IADG Community Foundation awarded \$1,000 to 25 organizations.
