Visit www.IADG.com or call 800-888-4743 for confidential assistance with site visits, local incentives and pricing information.
SERVICES
IADG provides consultation and assistance that helps communities and businesses achieve their project development goals. Our team of economic development professionals are knowledgeable, supportive, and accessible.

We can assist with:
• Site and Building Selection
• Financial Incentive Packaging
• Technical Assistance
• Data Resources
• Marketing and Communication Services
• Community Resources and Services

IADG has supported:
• Projects – Over 2,100
• Investment – Over $12 billion
• Jobs (new and retained) – Over 53,000
• Spec. Buildings – 74 totaling over 2.2 million sq. ft.
• Industrial Parks – 95 totaling over 7,200 sq. ft.

IADG’s services are made possible through generous support of Iowa’s electric cooperatives, municipal electric and telecommunication members. IADG is governed and guided by the generation and transmission power cooperatives that provide wholesale power to Iowa’s distribution cooperatives.

Contact IADG for available site and building options and assistance with your next project.
